### Membership of the Friends' Group

Do you value the presence of Fletcher Moss Park and Parsonage Gardens - the gardens, the trees and flowers, the woods, fields and river? Are you a regular user of the park areas? Would you like to know more about this rather special environment – its history, its wildlife, its flowers, its birds, its insects? Do you think it should be cared for so that present and future generations can enjoy it to the full? Do you think local people should be actively involved in having a say about how the park and gardens are managed and what activities it can be used for? Have you any ideas for improvement?

If you can answer 'yes' to any of these questions then you will be very welcome as a member of the Friends' group. Please fill in the enclosed Membership Details and return to one of our officers.

**Current Membership rate is £5 per annum per household (single people, couples or families)**

## Friends of Fletcher Moss Park and Parsonage Gardens

### **The Friends' group**

The Friends of Fletcher Moss Park and Parsonage Gardens are volunteers who aim to preserve and enhance the beauty and facilities of the park and gardens for the enjoyment of the public and the benefit of its environment and wildlife. We have regular programmes of activities and events; we have also been successful in getting funding for many projects which have considerably improved the surroundings and amenities of the park. We are grateful to all those who have supported us through donations and membership.

### **Health Walks Programme**

There is a popular programme of Health Walks around the park, each Monday afternoon, starting at 2.00pm at the Visitor Centre in The Croft (near Millgate Lane car park), and lasting for around an hour-and-a-half. There are also longer fortnightly walks for those who want something a little more challenging. This is an excellent way to keep fit in a relaxed and friendly atmosphere. For more information contact Alan Hill (215 0971).

**(REGRETTABLY THE WALKS PROGRAMME HAS BEEN SUSPENDED WHILE COVID RESTRICTIONS ARE IN FORCE)**

### **Volunteer Gardening Groups**

Volunteer Gardening Groups meet on Tuesday mornings in Parsonage Gardens (from 9.30am) and Wednesday afternoons in Fletcher Moss (from 1.00pm). The Park and Gardens have been transformed by the efforts of these groups and we are always looking for new recruits. To know more about volunteering please contact Heather Stemp (434 3107) or Alan Hill (215 0971).
